RECOMMENDATION FOR A SAFE PURCHASE

Nolangroup S.p.A. would like to remind all its clients of the importance of purchasing products exclusively via the international network of authorized retailers.

Nolangroup S.p.A. would also like to stress that its products have been designed and manufactured to conform with the many international regulations. Therefore, the company recommends purchasing and using only products which comply with the regulations in force for each country, and furthermore underlines that any abuse may be considered by local authorities as a violation of the relative laws in force.

Nolangroup S.p.A. declines all responsibility regarding the consequences of the incorrect use of a helmet which does not comply with the regulations in force in the area of use.
